

Let's Celebrate Serra's Class of 2021 Seniors

It's a community event. Serra parents, teachers, staff, students, and anyone else who would like to extend good wishes to members of the Serra High School Senior Class are invited to add a laudatory message to the "wall of praise," which is actually the fence that borders the school on Santo Road. It's a great way for everyone to honor the students for the perseverance they exhibited throughout this challenging year, as well as way to wish them happiness as they move forward.

Participants are free to be as creative as they choose—posters, artwork, flowers—just about any tribute will do. And they may address their messages to the entire class, to specific teams or clubs, to individual students, and to anyone who helped the seniors thrive. Note, so posters can withstand wind and rain, it might be best to laminate them and use zip ties to affix them to the fence. There's only one stipulation, messages must be kind and appropriate or they will be removed at the discretion of the Class of 2021 Boosters organization.

The parent members of the 2021 Boosters, who devised the idea for the tribute, want to make it easy for community members to participate in this event. They are happy to go to residences to pick up the happy-message displays and they will take on the task of hanging them too. To take advantage of this service, contact them at serra2021boosters@gmail.com or go to the "Contact Us" tab on the <https://www.classof2021serraboostersclub.com> site.

The overall mission of the 2021 Boosters is to provide ongoing fundraising for senior class activities that will enrich the graduation experience for both Serra's students and families. Right now, in addition to managing the good-wishes exhibit, the Boosters have plans to supply every member of the Class of 2021 embroidered face masks that they can wear at graduation and yard signs that will enable them to let everyone know a "Serra Senior Lives Here." These items will be distributed during the book drop/pick up that takes place at the end of January.

The Boosters welcome donations from the community so they can continue to bring their creative ideas to life in support of the seniors. Boosters are a 501(c)(3) nonprofit, so contributions may be tax deductible. Visit [https://www.classof2021serraboostersclub.com/](https://www.classof2021serraboostersclub.com) to donate.
